

International Fiber Packaging has alliances with the highest quality bag manufacturers in the world. We offer bagging solutions for all of your fiber packaging needs, including imported Indian burlap, woven polypropylene, polyethylene film, and cotton bagging. Our bags can be shipped direct to your business or from one of our many distribution facilities across the Cotton Belt. Our bags are guaranteed to meet or exceed JCIBPC (*or other applicable*) specifications. No other fiber packaging supplier in the world can offer a better quality bag or stand behind its performance like **IFP**.
